Communalism at Present

The nature of communal problem in India has undergone some change that they are a distance whereas the communal riots in the earlier period. Of thinking has a in the recent years. Whereas the communal riots in the earlier period were of thinking has a confined to certain urban centres only, in recent years the communal riots of religious toler. have tended to spread to the country-side and thus affected even those areas be shared by the which earlier enjoyed communal harmony.

It has been asserted by certain scholars that communalism is not a new phenomenon and has been in the Muslims rule during the madian existence since the times of the Muslims rule during the medieval period However, this view is not universally endorsed. Persons like Dr. Rajendra Prasad on the other hand hold that the Muslim rulers of India adopted by and of large an attitude of tolerance towards their Hindu subjects. To quote him The attitude of the Muslim conqueror had on the whole been one of tolerain.
